Excited for school

My child is very athletic and energetic, and I believe utilizing this energy before classes can help him focus more during school and wake him up.

My daughter is more organized and motivated every morning not just BOKS mornings.

She is an active kid who enjoyed school anyways.

Ava was struggling Academically prior to BOKS. Her teacher recommended she started coming and her overall academic performance has improved.

Not sure

Starting new to Farley it has helped her start friendship attending this program. She loves it.

Yes

Very safe and efficient

Okay

my child does chaps in the mornings and goes from there.

Works fine.

Yes, everything about this program is positive. I would not have a problem paying for this program either.

I think the drop-off process works well. No suggestions at this time.

fine

yes

Great

Drop off via chaps was seamless and easy. Thank you for organizing this program!

Very safe and perfect timing

Drop-off went well and it was safe and time efficient.

Yes. Thank you.

Fine we come from morning chaps

We should be pulling over to the left at drop off not on the right this way there is less space for them to walk on icy days. This will also allow for teachers to pass on the right and park when we are unloading.

Yes, it is safe and time efficient.

It was fine

Fine

**Thank you for taking this survey! I appreciate your input and will use it to make Farley BOKS the best that it can be.-Mr. Quinn**
